- Critical Thinking
- Leadership
- Communication
- Customer Service
- Teamwork

Experience

2021 - 2023

Meadowlark Dairy

Manager

Responsible for overseeing operations via holding workers accountable, assigning tasks, and managing inventory. I performed tests to ensure equipment was safe and producing quality product. I was also responsible for cash management and register balancing.

Schedule Organizer

Assigned with creating a job rotation chart for the day and developing a closing job sheet. Making sure work was divided equally amongst workers to provide a fair work environment

Server

Responsible for taking orders, serving food, and taking note of any dietary restrictions. I was also tasked with customer payment via hand held devices or cash payments

2022 - 2023

Roche Detailing

Founder

Personal Car Washing Business Developed to deliver a easy way for people to get their car washed at their own homes. Focus on high end experience with a keen eye for customer satisfaction. Leverage customer referrals that generated over 50% increase in client base.
